

constructivesolutions

Constructive Solutions for Business Inc. is a leading supplier of financial and operational software to Canada's construction industry. With over 500 clients and 18 years in business as a premier Sage Business Partner, we are a trusted technology partner with a proven track record of software sales, customized training, and solution implementations.

OUR CLIENTS SAY IT BEST....

"Skylux Homes Ltd implemented Sage 100 Contractor in 2014. We have been extremely pleased with the solutions performance. The Sage platform offers a complete and thorough package that has helped us tremendously through the entire construction process. Constructive Solutions has done a great job through the training process. We appreciate all of your efforts and look forward to continuing our relationship with Sage and Constructive"

Nicole Mueller, Controller – Skylux Homes Ltd.

"In our opinion, Sage 100 Contractor is the perfect mix between accounting and construction software. It will have a significant impact on our bottom line once the economy turns around because we are able to produce estimates to our clients much faster. It used to take approximately 16 hours to produce an estimate, it now only takes 4. Sage 100 Contractor is really helping us grow our business."

Melissa Stokes, Office Manager – Kurmak Builders

"We were extremely pleased with CSFB' knowledge and services. We knew it would be a perfect partnership working with them to implement Sage 100. As for our return on investment, we definitely increased our efficiency and productivity."

Cindy Searson, Office Manager – ServiceMaster Restore Sarnia

"With Constructive Solutions, when I require support I receive it in timely manner. I always gets a live person on the phone. I am very happy with their professionalism, services, and sales team."

Sara Stanbury, Payroll/AP – Wesbridge Steelworks Limited

"One of the benefits of having Constructive Solutions as a business partner is that we can depend on a personalized, professional, prompt & efficient response when we contact them with an issue. The CS team will always follow up to see how the solution has worked for us. The quality of support and knowledge of the product is top shelf."

Tawnya Bruce, Finance Manager – CanWest Mechanical Inc.

"I have to say that the support from Constructive Solutions has been terrific. Their response has always been very timely. I am very happy with their support, services, and sales team."

Cyril Cairns, President – Cairns Electric Ltd.

"We are very happy with the professionalism and service from Constructive Solutions. We have peace of mind when it comes to any support because we know Constructive Solutions will work with us in delivering a solution for Sage 100."

Irina Borrisova, Senior Accountant – VPAC Construction Group Ltd.

"Everyone has adapted to Sage 100. Our company can already see changes in day-to-day workflow and operations. It's lightened the workload for some of our departments, our company's previously manual processes has been automated with the new the software."

Cory Klein, President/Owner – Klein & Sons Construction

"Moving to Sage 100 Contractor has allowed us to really look at our bottom line. Simply put, it has helped us run as efficiently as possible, maximizing the valuable business hours in each day. We're now able to complete more projects and help more customers in less time due to the efficiencies afforded by the software. It has never been easier to understand our upcoming workload and receive critical information in real time, this was previously unattainable in our old system. We've only just opened the box on the potential of Sage 100 and everything it has to offer. We look forward to the future."

Jody Schmidt, Office Manager – C. Chandler Contracting Ltd.

“We have been Sage 100 Contractor users since 2014. The Constructive Solutions implementation team were knowledgeable, experienced and helpful in initial setup, understanding our business and tailoring reports for efficiencies and ease. The project driven Sage 100 and expertise of Constructive Solutions has allowed us to run our company more efficiently”

Marianne Rissling, Vice President – Rissling Services Ltd.

“We are very happy with Sage 100 accounting. We moved from Sage 50 to Sage 100 over the last year and, after working out the kinks, we have appreciated the versatility that this package has to offer.”

Teri Ryan, Controller – Wynker Electric & Controls Ltd.

“We bought Sage 100 Contractor to expand our job costing capabilities and we were not disappointed! The reporting flexibility within Sage 100 is endless. It is great to finally have an accounting software that generates useful reports that completely integrates with the job costing, no need to use excel now.”

Denise Gunn, Controller – Falcon Homes Ltd.

“Thanks to Sage 100 Contractor, we have streamlined and automated our day-to-day activities saving us both time and money. The software has enabled us to evaluate the success of projects and service jobs using Profitability & Job Costing reports at the touch of a button. We can also specifically determine which customers are most profitable allowing us to focus in on key clients and maximize our bottom line. Simply put, Sage 100 Contractor software has allowed us to make informed business decisions and utilize our resources more efficiently.”

Cameika Cabrera, Financial Controller – Centre Group
