

## Paperless Environments and Sage Software, Inc. Enter Licensing Agreement

September 16, 2014

**Baton Rouge, LA – September 16, 2014,** Paperless Environments, LLC and Sage Software, Inc. (Sage) enter into agreement for Sage to license Paperless Environments' pVault Imaging System.

Paperless Environments and Sage Software, Inc. (Sage) have entered into an agreement whereby Sage will license and sell the pVault Imaging System as **Sage Paperless Construction** to Sage 100 Contractor and Sage 300 Construction and Real Estate clients. Paperless Environments is very pleased to take their relationship from Development Partner to OEM Provider and look forward to extending the integration of the pVault and Sage Paperless Construction systems to work more closely with Sage 100 Contractor and Sage 300 CRE systems.

### About **Sage Software Inc.** :

Sage is a world-leading supplier of accounting and business management software to small and mid-sized businesses. Our purpose is to help our customers run their businesses more effectively—helping them gain greater insight into their business activities and providing them with lasting benefits by automating their business processes. Our applications cover a wide range of business requirements, including accounting, customer relationship management, contact management, human resources, warehouse management, and specialized products for specific industries.

Our brand, Sage, is used by all operating entities of The Sage Group, plc. The Sage Group, plc is the parent company of Sage North America and is located in the United Kingdom. With more than 6 million customers, Sage has offices in 23 countries worldwide.

Sage North America has more than 3.2 million customers with offices across the U.S. and Canada. Our corporate office is located in Irvine, California. Standing behind that are our principles for operating the business—agility, innovation, trust and integrity, and simplicity—all of which keep us closely connected with our customers.
